Itinerary

Day 1

Australia ✈ Bangkok, Thailand

Touch down in the buzzing capital of Thailand and transfer to the hotel. Bangkok is a vibrant and cosmopolitan city, located in the heart of the country. It offers a variety of unique experiences, from its impressive temples and lively culture, to its exciting night markets and world-renowned cuisine.

Enjoy the rest of the day at leisure to begin discovering this fascinating city. If your flight arrives before 2pm, you have the possibility to take the optional Dinner and Cruise excursion on the Chao Phraya River*. Overnight stay in Bangkok.

* Optional evening Dinner & Cruise Excursion along the Chao Phraya River: Transfer to the Chao Phraya River, or King of Thai rivers, to embark on board a modern river cruise with open-air terrace from where you will enjoy the panoramic night view of the illuminated city, while enjoying an international buffet dinner (drinks not included). The temples on the river banks, the skyscrapers and the live music accompanying the dinner will make you spend an unforgettable night in Bangkok. After the dinner and river tour, return to the pier and transfer to the hotel or head to Patpong night market to enjoy the nightlife and stalls.

Warning: This Optional activity is only available if your flight lands in Bangkok before 2pm.

Day 2

Bangkok

Breakfast at the hotel. Today, get ready to discover the city and its temples on an exciting tour! Begin along the main avenues of Bangkok to reach the vibrant Chinatown neighborhood. Our first stop will be at Wat Traimit Temple or better known as the Temple of the Golden Buddha. It houses a 5-ton solid gold Buddha loaded with history as it remained hidden for centuries after being covered in plaster to prevent its destruction during the war.

Our next stop will be the Wat Pho Temple or Temple of the Reclining Buddha, one of the largest reclining Buddhas in the world at over 150 feet-long, where you'll find a spectacular engraving of 108 images representing positive actions of Buddhism. To finish the tour, head to a local precious stone factory where you will see a demonstration of how local craftspeople make their products.

We recommend an optional excursion to the Grand Palace* to learn more about the culture of this country. Return to the hotel and overnight stay in Bangkok.

*Optional excursion to the Grand Palace: Discover the impressive Grand Palace complex, symbol of the city and former official residence of the King of Thailand between the 18th and mid-20th centuries. Considered one of the most beautiful in the world for its exquisite decoration, it mixes traditional Thai style with Renaissance influences. During the visit to the Grand Palace we will also visit Wat Phra Kaew or Temple of the Emerald Buddha, the most important in Thailand.

Please note: For the Grand Palace visit you should wear long pants that cover the ankles and a long-sleeved shirt.

Day 3

We recommend an exciting and entertaining optional excursion to visit the train market and floating market*. Overnight stay in Bangkok.

*Optional Excursion to the Train Market and Floating Market: Travel by road to the town of Mae Klong where you'll see a curious market installed on the train tracks. If time and luck permits, we will be able to see how the train crosses through the market and, in record time, the merchants collect all the products they have on display on the train tracks.

From there, head to the Klong Damnersaduak floating market in Ratchaburi province, considered the most important in the country. Arrive at a pier in the vicinity of the floating market. Take a motor boat ride through the canal area to reach the market itself, disembark, and enjoy free time to walk around, explore their products and enjoy the lively atmosphere.
