After breakfast at hotel, we will visit the famous Cu Chi Tunnels. Located 60km from HCMC, Cu Chi is now a popular spot for both Vietnamese & foreign tourists - the network of over 200km of tunnels became legendary when they played a vital role in the War. In their day, the tunnels were functioning underground cities including numerous trap doors, specially constructed living areas, storage facilities, weapons factories, field hospitals, command centers & kitchens. Today, ducks and water buffalos happily co-exist in the rivers along the side of the road. However, the peaceful rural rice paddy scenery belies the area's violent history. Visitors will find it hard to imagine the destruction, damage & defoliation over this whole area, caused by bombing and mines. There is plenty of evidence of the fierce battle that took place here during the 1960s when Cu Chi was a "Free Target Zone". Start our tour in the morning, before entering the tunnels visitors can watch a short introductory video showing how the tunnels were constructed. You will spend the next hour exploring the tunnels. Afterwards, enjoy tea, cassava (guerrilla's food during the war). Return to Ho Chi Minh. Overnight in Ho Chi Minh.

Siem Reap Day Tour

Firstly, you will visit the wonderful Angkor Thom (the Great City) including the Southern Gate, famous Bayon temple (12th century in the centre of city remains one the most enigmatic temples of the Angkor group composed of 54 gothic towers decorated with 216 smiling faces of Avalokitesvara. Baphuon temple is lying just to the north of Bayon a pyramidal representation of mythical Mount Meru. Terrace of Elephants used as a giant reviewing stand for public ceremonies and served as a base for the king's grand audience hall ; Terrace of the Leper King a platform 7m high, with statue. Visit to Ta Prohm. One of the area's most beautiful temples, Ta Prohm has been left relatively untouched since it was discovered and retains much of its mystery. Its appeal lies in the fact that, unlike the other monuments of Angkor, it was abandoned and swallowed by the jungle, looking very much the way most of the Angkor temples appeared when European explorers first stumbled upon them.

Afternoon, it is time to visit the wonderful Angkor Wat Temples – one of the seven greatest architectural wonders of the world, as a temple and mausoleum for King Suryavarman II at the peak of the Khmer empire in the first half of 12th. Angkor Wat is probably the best-preserved of the Angkorean temples, with a central tower surrounded by four smaller towers. The central monument represents the mythical Mount Meru, the holy mountain at the centre of the universe, which was home to the Hindu God Vishnu. The whole complex covers 81 hectares, a rectangular wall measuring 1025 meters by 800 meters borders the inner edge of the moat, and temple's greatest sculptural treasure is its 2 km-long bas-reliefs around the walls. In the late afternoon, visit to the Phnom Bakheng temple, is the first temple in Angkor region build by the Yacovarman I King in the first of 9th century, located on a slope gently hill where thousands tourist are grouping on the hilltop to catch a memorable time of life when viewing the marvellous sunset, the distant Angkor Wat in the jungle.
