Always dreamt about a trip to Greece? Blend beaches, history, nature and architecture together, and make it happen in 2025.

Greece is a country steeped in history and culture, located at the crossroads of Europe, Asia, and Africa. Known as the cradle of Western civilisation, it gave birth to democracy, philosophy, and the Olympic Games. Its ancient landmarks, like the Acropolis in Athens and the ruins of Delphi, offer insight into its rich past. Greece is also famous for its stunning natural beauty, featuring over 6,000 islands, including popular destinations like Santorini and Mykonos, known for their pristine beaches, whitewashed buildings, and beautiful sunsets.

But can you really squeeze it all into one trip? This tour beautifully combines Greece's mainland history with island charm, giving participants the best of both worlds. It begins in Athens, where travellers will explore the iconic capital before heading to mainland Greece. Key destinations include Delphi, Olympia, and Meteora, offering rich historical and archaeological insights. Each site provides a glimpse into Greece's ancient past, making it ideal for history lovers.

After a week on the mainland, the fun heads to the islands. Travellers will spend two nights on the vibrant island of Mykonos, known for its sandy beaches, charming streets, and bustling nightlife. Mykonos offers the perfect mix of relaxation and excitement, with plenty of opportunities to enjoy the local nightlife or unwind on the island's famous beaches.

Next is Santorini, where visitors will enjoy three nights surrounded by its stunning natural beauty. Famed for its whitewashed houses perched on cliffs and breathtaking sunsets, Santorini offers a more tranquil experience. The island is perfect for leisurely strolls, romantic evenings, and soaking in the serene Aegean views. It's an excellent escape for those looking to relax and marvel at one of Greece's most picturesque islands.

Long popular with visitors from all over the world, Greece lives up to its reputation as a bucket list destination. Don't waste your time here by never leaving your resort though, as there's much to offer and to learn for those willing to go exploring.
